March 2019 Flood-Village Strong

It was a VERY scary time here with many people in the Village and across the state

of Nebraska losing their houses and businesses in the flood.

Thankfully, with all of the local, county and state

workers along with many volunteers people were able to evacuate to safety. So many people lost everything but our Village and Nebraska will recover. A SPECIAL THANK YOU needs to go out to all the people who stood up and made us Village Strong and Nebraska Strong !! A special THANK YOU to the Salvation Army for all of their support and meals they provided.

Watch for Special Bell Ringing Activities during the Holiday
