

Annual Winter Social Event

In lieu of the normal HVLA annual Christmas party over at the gun club, and because of the COVID virus, this year we will have Santa visiting all village kid/grandkids by horse and carriage on Sunday, December 6th between 4-6 pm.

The carriage ride for Santa will begin over at the boat storage gate and continue to travel down all streets/coves with children throughout the village. Gift bags will be passed out by Santa and Elves for all kids or grandkids 12 and under. In conjunction with Santa, the social committee is planning on handing out luminary bags ahead of time which will be used to identify which house Santa and Elves should deliver a Christmas gift bag!

The luminaries can be decorated by the kids/grandkids before placing them outside on December 6th in each driveway to help Santa and Elves locate kids 12 and under. Also, this will let the committee know how many kids will be present at each home location.

One luminary bag per child 12 and under! Please private message (Next door) a member of the social committee (Vicky Kilgore, Jeannie Koziol, Deb Kenny or Laurie Fleischman) with your Last Name and number of luminaries you will need by November 27th.

We will also be doing a Community Food Drive, along with any contributions of coats, hats, gloves/mittens (new or used) all going to the Lydia House. Trucks/SUV's will follow Santa around to pick up donations on Sunday. We know this is a difficult time of year, but we are wanting to let kids still have that joy of Santa and the joy of giving to the less fortunate at the same time!
