

**MINUTES OF THE MEETING OF THE BOARD OF TRUSTEES OF SANITARY AND IMPROVEMENT DISTRICT NO. 97 OF SARPY COUNTY, NEBRASKA HELD AT 5:00 P.M. ON JULY 21, 2015 AT 8335 PLATTEVIEW ROAD, PAPILLION, NEBRASKA**

The meeting of the Board of Trustees of Sanitary and Improvement District No. 97 of Sarpy County, Nebraska was convened in an open and public session at 5:00 p.m. on July 21, 2015, at the Sarpy County Sheriff's Station, Papillion, Nebraska, 68046.

Present at the meeting were Trustees David Wennstedt, David Barry, and Ken Brison. Also present the District's attorney, Brian Doyle; the District's Engineer, Bob Czerwinski; and the District's municipal advisor, Rob Wood. Joy and Rene Nelson of Urban Utilities were also present. Trustee Jeff Warinski was absent. HVLA representative Troy Fluckey was also in attendance.

The Chairman then publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

Notice of the meeting was given in advance thereof by publication in The Papillion Times on July 15, 2015, a copy of the Proof of Publication being attached to these minutes. Notice of the meeting was simultaneously given to all members of the Board of Trustees and a copy of their Acknowledgment of Receipt of Notice is attached to these minutes. Availability of the agenda was communicated in the publicized notice and in the notice to the Trustees of this meeting. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The Clerk then certified that notice of this meeting had been given to the Sarpy County Clerk at least seven days prior to the time set by the Board of Trustees for this meeting and filed the Certificate to that effect, said Certificate being attached to these minutes and made a part hereof by this reference.

The Board first heard the report of Urban Utilities ("UU") regarding the water and wastewater system. All systems were functioning normally. UU did report that they are having issues with the use of flushable wipes and other items being flushed into the sewer system. The flushable wipes are extremely problematic and the use of such items is strongly discouraged. UU

is also following up on the issues related to the process air blower for the sewer treatment plant.

The board then discussed an inquiry regarding providing water and power at the beach. The Board noted that they do not provide water for such functions and that HVLA is responsible for power. The Board discussed that no power would be provided from the SID as it could interfere with the operations of the plant.

The Board then reviewed bids for trash collection service. The Board's attorney noted that the law change allowing SIDs to contract for garbage service does not go into effect until the end of August.

The Board then discussed their current financial position and projections with Robert Wood from Kuehl Capital Corporation, municipal advisor to the District.

The Board then discussed the water level of the lake. The Board discussed water level requirements for no wake boating and for no boating with Troy Fluckey the HVLA representative. HVLA will discuss elevations to be established on the gate structure staff gage in the near future.

The Board then discussed the reversal of the gate structure between the lake and the Platte River.

Upon motion make by Trustee Barry and seconded by Trustee Wennstedt, the Board voted 3 "aye" and 0 "nay" to approve Jochim Construction to reverse the orientation of the gate at a cost not to exceed \$2000.00.

The Chairman then presented the following statements for payment from the General Fund Account of the District:

a.)	Omaha Public Power District for power supply and street lighting (acct. no. 7333000080).	\$7,324.41
b.)	Urban Utilities, Inc. for WWTP July maintenance, Postal Service charges, emergency services, sampling, renewal of Annual support for meter reading software, etc. (#7495).	\$5,721.82
