

**MINUTES OF THE MEETING OF THE BOARD OF TRUSTEES OF SANITARY AND IMPROVEMENT DISTRICT NO. 97 OF SARPY COUNTY, NEBRASKA HELD AT 5:00 P.M. ON JANUARY 19, 2016 AT 8335 PLATTEVIEW ROAD, PAPILLION, NEBRASKA**

The meeting of the Board of Trustees of Sanitary and Improvement District No. 97 of Sarpy County, Nebraska was convened in an open and public session at 5:00 p.m. on January 19, 2016, at the Sarpy County Sheriff's Station, Papillion, Nebraska, 68046.

Present at the meeting were Trustees David Barry, David Wennstedt, Shellie Zeeb, and Jeff Warinski. Also present were Bob Czerwinski of E & A Consulting Group, Inc., engineers on behalf of the District; and Joy and Rene Nelson of Urban Utilities. Trustee Ken Brison was absent.

The Chairman then publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

Notice of the meeting was given in advance thereof by publication in The Papillion Times on January 13, 2016, a copy of the Proof of Publication being attached to these minutes. Notice of the meeting was simultaneously given to all members of the Board of Trustees and a copy of their Acknowledgment of Receipt of Notice is attached to these minutes. Availability of the agenda was communicated in the publicized notice and in the notice to the Trustees of this meeting. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The Clerk then certified that notice of this meeting had been given to the Sarpy County Clerk at least seven days prior to the time set by the Board of Trustees for this meeting and filed the Certificate to that effect, said Certificate being attached to these minutes and made a part hereof by this reference.

The Board then heard the monthly report from Urban Utilities ("UU"). Investigation into well #2 failure continues. The motor failed and Layne Western replaced the motor and reinstalled the well. Upon reinstallation it was discovered that there is a leak. Investigation into the leak continues. A new check valve will be installed before restarting well pump #2. At that time the well pump will be restarted and investigation will continue into the source of the leak. Well pump

#1 continues to be operational and providing adequate pressure for the system. No other issues were reported with the wastewater treatment system or the water system.

Upon motion made by Trustee Zeeb and seconded by Trustee Barry, the Board voted four (4) “ayes” and zero (0) “nay” to approve the payments to Urban Utilities from the General Fund Account of the District. The Clerk was then directed to attach copies of the invoices to these minutes.

The board then discussed placing rock at Well # 2 to allow equipment access and placing rock at the boat ramp turn around area adjacent to the asphalt ramp. The Board requested that the engineer get prices to present at the next meeting.

The Board then discussed street sweeping and whether it would be completed by Easter. The Board noted that Easter is March 27 and that street sweepers are not typically released into SID's until after April 1. The Board noted with its engineer that they should use their best judgment based upon weather at the time. The District's engineer will solicit bids for street sweeping.

The Board then discussed its mowing contract with Commercial Mowing. The Board discussed that the contract can be renewed and that it can be terminated at any time. The Board expressed its satisfaction with the mowing service and that they would continue the contract at the same price.

The Board then discussed installing permanent speed detection traffic devices. The Board's engineer noted that the systems run about \$4,500.00 installed. The devices can also be moved to various locations. The Board discussed having the Sarpy County sheriff place their speed detector trailer at multiple locations within the District. No decision was made regarding

The Board then discussed selecting Trustee Zeeb to serve as liaison with Sarpy County.

The Board then discussed the dike path replacement and remaining work to be done. The District's engineer noted that there was still retainage due on the contract and that would get the contractor to return and complete the final grade work.

The Board discussed having its mowing contractor do weed sterilization at the boat storage area. The Board also instructed its engineer to have the mowing contractor also apply around the lift stations inside the fence.

The Board then discussed voiding warrant 4227 payable to Walsh Marine Buoys for the buoy and to reissue at this meeting to HVLA which has already paid for the buoys. The Board then asked that the attorney issue a new warrant to HVLA for the amount paid to Walsh Marine and strike Warrant No. 4227 from the records of the District and return the check issued by the Sarpy County Treasurer to be destroyed. The attorney then stated that his office would write a letter and return to the check to the Treasurer and have the warrant stricken from the County's records as well.

The Chairman next presented the following invoices and statements to be paid out of the General Fund Account of the District:
