

HVLA WATERCRAFT STICKER REQUESTS AND GUIDELINES

All HVLA Residents wishing to operate a watercraft at Hawaiian Village will need to review and comply with the following conditions:

- All watercraft will need to have current registration and display the appropriate registration stickers ●
- Watercraft must have current HVLA boating stickers indicating the residents current lot information ●
- Watercraft must meet all current HVLA safety/boating covenants as approved by the residents

The following apply to different types of watercraft on the lake:

- Watercraft compliance is determined by the HVLA Safety Regulations, amended June, 6, 1997. Regulation Section K, Paragraph 2.g states:
 - o The following boat lengths are approved.
 - Inboard/Outboards and Outboards: Maximum length of 18 feet (as per the manufacturers specified hull length).
 - Inboards: Maximum length of 20 feet as per the manufacturers specified hull length).
 - Pontoons: Maximum length of 22 feet (as per the manufacturers specified hull length). Maximum of 40 horsepower engine.
- Inboard boats may not exceed **20ft** in length per Manufacturers specified hull length. Additionally, all Inboard boats must be on the AWSA approved boat history list

****NO JET BOATS ALLOWED ON THE LAKE****

New residents wishing to Demo a boat may request temporary access for the watercraft from the Head of Safety or the Board President.

New and Replacement Stickers ONLY: (If you already have a sticker, you don't need to use this process to get your boat in the water – Contact a gatekeeper directly)

New and Replacement stickers may be requested here: [HVLA Sticker Request Form](#) (this form will be sent to a three member team who will acknowledge receipt of your request within 24 hours. ***This does not mean stickers will be issued within that 24 hour period.***

The following will be needed when requesting stickers:

New Watercraft Requests (Includes trailer where applicable):

- Name of Resident
- Current HVLA Address (Lot # if known)
- A copy of the current Registration (Include trailer if Applicable)
- Type of watercraft: Pontoon, Inboard/outboard boat, outboard boat, PWC (Jetski)

Upon review of the above. If watercraft is deemed compliant a visual inspection of the watercraft will be conducted and stickers to be provided if it meets lake covenants.

****Should a watercraft be denied, notification will be provided including why the team is denying the request. Resident will have an opportunity to correct issues or provide support in support of the original request.***

HVLA WATERCRAFT STICKER REQUESTS AND GUIDELINES

Replacement Stickers will need to provide the following:

- Name of Resident
- Current HVLA Address (Lot # if known)
- A copy of the current Registration (Include trailer if Applicable)
- Watercraft information for sticker renewal (Year, Make, Model)

If a watercraft does not have a current (GREEN) sticker the request will be treated similarly to a new sticker request.
